Trendsetters

It's a Mod, Mod World It's 1965, and Edie Sedgwick is living every young girl's dream. The movie **FACTORY GIRL** relives her story, starring fashionista and trendsetting "it girl" Sienna Miller. Rich, ambitious and beautiful, Edie's life changes forever when she meets artist Andy Warhol, who transforms this trust fund baby into the Big Apple's most famous woman. As his superstar, Edie has the world at her feet. Every woman wants to be her. Every man wants to be with her. And now every trendista will want to look like her, so get ready for a back to the '60s retro trend, big time! Learn more from [Myriad Pictures](#).
